

WEEKNIGHT DOUBLE TAKEOUT BEER BOARD

Make the shot...get a pitcher

We are pleased to announce that the GCC has again partnered with **Great Western Brewery - Original 16** to bring you the *Weeknight Double Takeout Beer Board*.

Eligibility

All GCC teams playing in a 700p draw, Monday to Friday.

Concept

The last team to make a double takeout¹ during the 700p draw - **before the buzzer sounds** - wins a pitcher of beer courtesy of O16.

Steps

1. If your team makes a double takeout, move the *Double Takeout Board* under your scoreboard.
2. The *Double Takeout Board* can be “stolen” by any other team up until the buzzer sounds.
3. If you’re still in possession of the *Double Takeout Board* when the buzzer sounds, advise the bartender on duty in the lounge and collect your pitcher of Original 16.
4. The pitcher must be claimed immediately after the draw; you can’t bank it and use it another time.

¹ A “double takeout” means **completely** removing two of your opposition’s rocks from play (rocks ultimately move to the corner of the sheet). The rocks do not necessarily need to have been in the house (removal of guards qualifies).
