LOUNGE RENTALS - October to April

# 2023-24 LOUNGE RENTALS

(October to April)

The Garrison Curling Club (the “GCC”) is pleased to host private functions in our upstairs lounge. Whether your group is also curling with us that day; or you simply want to use our lounge for a casual get-together, it is a great place to hold your event.

The GCC can provide catering services for up to ~110 people. Catered functions offer buffet meal options at a fixed price per person, either for lunch or supper. Under exceptional circumstances, we may allow parties to bring in their own food (but not their own alcohol).

Our bar is counter (not table) service; so all guests order and pick up their drinks at the bar.

## Lounge Configurations

The GCC lounge has two distinct spaces:

- The **Main Room** can accommodate 48-78 guests, depending on configuration. It looks out onto the arena and has viewing lines to four large-screen TVs.
- The **Alcove** can accommodate 10-32 guests, depending on the configuration. It can be separated from the Main Room by a curtain for additional privacy; and has a bright southern-facing exposure.

Only group bookings of 48 or more can reserve the Main Room. In this case, we will close the Main Room to other users during your function; subject to: (a) members and guests entering to order food or drinks at the bar (which will then be consumed downstairs); or (b) a separate rental of the Alcove.

## LOUNGE RENTALS - October to April

Groups fewer than forty-eight must either book the Alcove, if they want a partitioned area; or will share the Main Room with other GCC members and guests. In those cases, we cannot guarantee that groups will be able to sit together.

## Rental Rates

Rates are based on: (a) the space you book; (b) whether your group is also curling at the GCC; and (c) whether you are having your event catered by the GCC or, in exceptional circumstances, you have been permitted to self cater.
