

GARRISON CURLING CLUB

Group Rental Sheet/Team Configuration & Draw Structure

Minimum 2-Sheet Event

HOW TO USE THIS DOCUMENT IF YOU ARE PLANNING AN EVENT:

1. This tool is intended to assist organizers planning an event for at least 12 curlers on two sheets of ice. We can accommodate up to 48 curlers on the ice at one time; any more than that, and they will have to go out in "shifts".
2. In the "Team Configuration" section, find the number of curlers you have participating in the event. That will dictate how many teams you will create, their configuration and the number of sheets you will need to rent.
3. Our group rentals are generally 2-3 hours. For maximum interaction among participants, we recommend playing three games that last 40-55 minutes per game.
4. If that format is suitable for your event and to create the draw (schedule), locate the number of teams in your group in the "Draw - Round Robin Event" section; then designate your teams numerically
