Job Posting

Date:	April 8, 2026
Position	Arena Attendant/Ice Technician
Term:	September 8, 2026 to March 14, 2027
Days/Hours of Work:	Evenings and weekends; 16 hours per week. Shifts assigned 5-10 days in advance
Hourly Rate:	\$18.50
Reporting to:	Head Ice Technician

The Garrison Curling Club of Calgary (the "GCC" or the "Club") is accepting applications for an Arena Attendant/Ice Technician for the upcoming season. The GCC is a busy six-sheet Curling Club located in the south west Calgary neighborhood of North Glenmore/Garrison Woods. The facility is open seven days per week with leagues running from 900a-1100p during the week and 900a-900p on weekends. In addition to the ice shed, the Club has a lounge and bar as well as a full-service kitchen during the curling season.

Reporting to the Head Ice Technician, you will ensure that ice operations run efficiently and safely while maintaining a positive working relationship with members, volunteers, staff and visitors to the GCC.

Responsibilities

- Assist with ice installation and in-season floods.
- Perform daily ice maintenance, including: scraping and cleaning the ice surface; mopping, pebbling and nipping the ice surface between draws or as directed; taking down scoreboard numbers between draws; cleaning carpeted surfaces and side walkways in the arena; replenishing tissue boxes in the arena; and emptying garbage cans in the arena.

- When not performing daily ice maintenance duties, assist in general building maintenance, including: shovelling snow from the front entrance and accessible ramps/parking spots; changing lights; and tidying the lobby area.
- Maintain a daily log of activities and work performed.
- Perform moderate lifting, carrying, pulling and/or pushing (more than 10 lbs and less than 90 lbs).

Skills, Attributes and Qualifications

- High school diploma.
- Ice Technician Level 1 and/or Arena Level 1 certification is considered an asset.
- Current CPR/Basic First Aid qualifications is considered an asset.
- One or more years' experience working on curling ice is considered an asset.
- Ability to lift up to 40 kilos (90 lbs).
- Ability to work unsupervised.
- Valid driver's license.

Other information

- Free parking.
- Discount on food; free selected non-alcoholic beverages.

Applying

Please send your cover letter and resumé to Darren Prout, Head Ice Technician, at darren@garrisoncurling.com.

We thank applicants in advance for their interest. Only those who are selected for interviews will be contacted.
